Develop a wide range of techniques.
(Year 2)

Sculpture
Develop ideas, experiences and imagination.
(Year 2)

Art and Design Curriculum Road Map

Curriculum Plan

In EYFS, the curriculum includes activities and experiences that develop creativity, as well as promoting the Characteristics of Effective Learning. Different media and tools are accessible, allowing them to experiment, explore and mix materials. Adult input is given to provide help, to develop a mastery of skills and techniques and to promote, develop and extend vocabulary. They are also provided with opportunities to talk about their achievements and evaluate their artwork and skills.

In KS1 and KS2, we teach Art and Design in the first half of each term. The six areas of Art and Design are repeated every 2 years. Each year group also studies an artist to develop the children's knowledge of famous and influential artists.

UKS2

Sculpture
Improve mastery of techniques
(Year 4)

Print:
Improve mastery of techniques
(Year 4)

Drawing:
Improve mastery of techniques
